SUPPLEMENTAL REMARKS ACCOMPANYING NOTICE OF APPEAL

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The Notice of Appeal is being submitted to forestall abandonment of the present application due to expiration of the six month statutory period. The applicant, however, is still awaiting the next Examiner's action, in reply to the applicant's response submitted on June 16, 2005 (Response to Final Office Action).

"An examiner is expected to turn in a response to an amendment after final rejection within 10 calendar days from the time the amendment is received by the examiner." MPEP § 714.13

As indicated in the PAIR record for the present application, the applicant's response after final rejection was forwarded to the Examiner on June 25, 2005. Accordingly, the Examiner's action following the applicant's response is long overdue. The Examiner's immediate attention is respectfully requested.
